#### **EXPLANATION OF BANKRUPTCY DISCHARGE IN A CHAPTER 13 CASE**

This court order grants a discharge to the person named as the debtor after the debtor has completed all payments under the chapter 13 plan. It is not a dismissal of the case.

##### **Collection of Discharged Debts Prohibited**

The discharge prohibits any attempt to collect from the debtor a debt that has been discharged. For example, a creditor is not permitted to contact a debtor by mail, phone, or otherwise, to file or continue a lawsuit, to attach wages or other property, or to take any other action to collect a discharged debt from the debtor. (In a case involving community property: There are also special rules that protect certain community property owned by the debtor's spouse, even if that spouse did not file a bankruptcy case.) A creditor who violates this order can be required to pay damages and attorney's fees to the debtor.

However, a creditor may have the right to enforce a valid lien, such as a mortgage or security interest, against the debtor's property after the bankruptcy, if that lien was not avoided or eliminated in the bankruptcy case. Also, a debtor may voluntarily pay any debt that has been discharged.

##### **Debts That Are Discharged**

The chapter 13 discharge order eliminates a debtor's legal obligation to pay a debt that is discharged. Most, but not all, types of debts are discharged if the debt is provided for by the chapter 13 plan or is disallowed by the court pursuant to section 502 of the Bankruptcy Code.

##### **Debts That Are Not Discharged**

Some of the common types of debts which are NOT discharged in a chapter 13 case are:

- a. Domestic support obligations;
- b. Debts for most student loans;
- c. Debts for most fines, penalties, forfeitures, or criminal restitution obligations;
- d. Debts for personal injuries or death caused by the debtor's operation of a motor vehicle, vessel, or aircraft while intoxicated;
- e. Debts for restitution, or damages, awarded in a civil action against the debtor as a result of malicious or willful injury by the debtor that caused personal injury to an individual or death of an individual (in a case filed on or after October 17, 2005);
- f. Debts provided for under section 1322(b)(5) of the Bankruptcy Code and on which the last payment is due after the date on which the final payment under the plan was due;
- g. Debts for certain consumer purchases made after the bankruptcy case was filed if prior approval by the trustee of the debtor's incurring the debt was practicable but was not obtained;
- h. Debts for certain taxes to the extent not paid in full under the plan (in a case filed on or after October 17, 2005);
- i. Some debts which were not properly listed by the debtor (in a case filed on or after October 17, 2005).
